

Mission and Compass

Mission is about the book of Colossians. Unlike so many other letters by Paul, he started the church there or at least had visited and given sermons. Therefore, other letters can often feel incomplete, as they have already heard some of his messages. Not so with Colossians. Here we get a great overview of what the Christian life looks like.

Compass is a four-week series designed to help students navigate what the Bible is, how to use it, and what it means for their lives today. The goal is to equip middle schoolers with the tools they need to use the Bible themselves and put its wisdom to work in their lives. But beyond that, we want to see them meet Jesus and come to know more about what God is like in the pages of Scripture.

MEMORY VERSE

“Set your minds
on things above, not
on earthly things.”
Colossians 3:2

ENGAGE IN EVERYDAY MOMENTS TOGETHER

Morning Time

As your student starts their day, tell them one thing you know about their character and what you admire about it.

Their Time

While they are on the go this week, ask your kid: “What are some ways you can get to know someone?”

Meal Time

At a meal this week, have everyone answer this question: “What is something you’ve learned about God from the Bible?” If you’re not sure, search “characteristics of God” online for Scripture references.

Bed Time

Pray that you and your kid will see reading the Bible not as something you have to do, but as a way to get to know and grow in your relationship with God.
