## Using Prayer

Praying is a powerful way to help others! You don't always have to help physically, but you can with words too! Talk to Jesus about using what you have to help others.

~~~~~  
 "Dear Jesus, help me to use what I have to help others. I want to see and help others by what I do, by what I say, and by praying for their needs. Help me to show them Your light in me by how I help. Amen."

~~~~~  
**THANK Jesus for helping you see other's needs.**

Use what you have to help others.
