## A Bright Light

Jesus was the bright light in the story of the world. Look toward the sky and search for the sun. Like the sun, Jesus lights up the whole world. Walk around your home outside and see what the light is touching. Name the things you can see and thank Jesus for them.

**KNOW** that Jesus is the light of the world.

## Lit Up

With a crayon on white computer paper, draw a picture of yourself. When finished, flip the paper over so you can no longer see your drawing. Take the paper, still backward, to a window, and hold it against the light. Now that the light is shining through it, can you see your drawing again?

Just like that, when we hold ourselves toward the light (Jesus) we can see who we are made to be!

**THANK** Jesus that because of Him we can shine bright.

## Light of the World

Jesus is the light of the world! Read John 8:12 with a friend. Talk together about all that Jesus does to light up your life!

**LOOK** for people in your life that Jesus uses as a light to point you towards Him.

## Light in Darkness

Read this prayer out loud:

~~~~~  
 "Dear Jesus, You are the light in the darkness. You were made to shine. Help me to learn to shine bright and to be a light to others around me. Please give me chances to help others with what I have and to be what others need. I thank You for being an example to me. I love You, Jesus. Amen."  
 ~~~~~

**ASK** Jesus to help you shine!

Jesus is the  
light of the world.
