

This Matters

In this series, we are going to be talking about hard hitting subjects that student may be struggling with the temptation of and if not yet then likely will experience in the next few years and how we can have freedom from that sin. Our focus is on showing students that there is always freedom. Be prepared to have harder conversations this month about what temptations they may be facing and how to deal with it in a healthy way.

MEMORY VERSE

“For the law of the Spirit of life has set you free in Christ Jesus from the law of sin and death”
Romans 8:2

ENGAGE IN EVERYDAY MOMENTS TOGETHER

Morning Time

Take time to pray together as a family. Ask God to help reveal the harder things going on and to know He gives us freedom.

Their Time

Encourage them to step into a spiritual discipline on their own: prayer, reading the bible, and silence solitude are great ideas.

Meal Time

Ask them about something specific in their day. If they're unresponsive, ask them a would you rather question. This is designed for you to grow closer as a family.

Bed Time

This is a great time to reflect on the day. As they step into that time of needed rest, encourage them to reflect on God's goodness and the rest he provides.
