

Please note that we will hold a zoom parent meeting on Wednesday, October 1st for all parents of middle school students attending AMP'D WKND. During this time, we will go over pertinent information and answer any remaining questions regarding AMP'D WKND.

## FAQ'S FOR AMP'D WKND.

The link will be found on our NextGen events page <https://gracebible.church/nextgenevents/>

### **What should my student bring?**

There is a list for your convenience at the end of this document which provides details about what is needed even though the trip is not overnight.

### **What will transportation look like?**

Parents are expected to provide travel for their student to get to and from the Lynnhaven Campus. The location is 2956 Ansol Ln, Virginia Beach, VA 23452

### **What is the cell phone policy?**

Students may have their phone during AMP'D WKND. However, we know the reality that it is unlikely for a middle school student to disengage from their phone entirely. Our small group leaders will use their discretion and judgement to temporarily take a phone from a student if they are distracting themselves, or others throughout AMP'D WKND.

### **What will my student be doing on the wknd?**

We will have sessions with worship and a speaker on Friday night, Saturday morning, and Saturday afternoon followed by small group time. The entire weekend will be filled with squad war games, fun activities throughout Saturday, and finishing with an after party after the last session.

### **Are all meals provided?**

We will provide dinner on Friday as well as snacks on Saturday morning, afternoon, & night as well as lunch and dinner.

### **Do I need to provide any additional waivers or forms?**

Nope! The parental consent form was built into registration so there are no additional waivers needed.

### **What will my student do with his/her medications?**

Students will give their medication if needed to their small group leader if they or the parent feels it's necessary. Please coordinate with your student director if your child has specific medical circumstances and please fill out all allergies in the registration link.

### **Does my child need spending money?**

No, everything is provided, and nothing is being sold during the conference
