

## JUDGES

The Old Testament book of Judges, the time in between Joshua and the Kings, was a lawless time. It was Israel's Wild West. This four-week series looks at three significant Judges from this dark time in Israel's history. Using the American Wild West as a launching point, with comparisons made to the Lone Ranger, Annie Oakley, and Billy the Kid, students will have a fun time diving into Israel's ancient history, while also finding lessons they can apply to their lives today

### MEMORY VERSE

*In those days  
Israel had no  
king; everyone  
did as they saw  
fit.  
Judges 21:25*

ENGAGE IN EVERYDAY MOMENTS TOGETHER

### Morning Time

As your high schooler starts their day, ask them if there is something they would like you to pray about.

### Their Time

If you find out something unexpected about your teen, try not to let your fear determine your response. If needed, ask for some time to process and then make decisions on how to move forward after you've taken that time.

### Meal Time

At a meal this week, have everyone answer this question: "What is an area of your life where you have hope right now? Where is a place where you struggle with hope?"

### Bed Time

As you pray for your teenager, pray that no matter what is going on, their hope will always be anchored to Jesus.
