

SBW is FOR the 757! This year we are partnering with 12 schools across the 757. We get the privilege to come alongside students, families, teachers, and staff to support them. We know that by pouring into them we are following Jesus and loving our neighbors as ourselves. Our hope is to see God's grace changing lives in our community and at Grace.

One tangible way we can support students and families in our partner schools is by providing beach bags with food for kids! Our goal is to provide 200 students with food supplies for the summer!

HERE'S HOW YOU CAN HELP!

one

Purchase and bring in requested grocery items for a student to use this coming summer! Bring them to the Missions Table by the Welcome Desk (near the bathrooms) Tues - Fri morning!

two

Talk with your child about God's love and how some families don't have resources to buy food for their children. Remind them how valuable it is to have nutritious meals each day.

three

Pray for our students, teachers, staff and families at our partner schools for a great school year. Pray that the students receiving the groceries know they are loved and seen by Jesus.

HERE'S WHAT WE NEED:

EACH BEACH BAG TYPICALLY INCLUDES:

- (2) individual-sized cereal boxes or oatmeal
- (2) 8 oz. servings of shelf-stable milk
- (2) individual-sized meals
(ravioli, spaghetti & meatballs, macaroni & cheese, etc.)
- (2) 4 oz. fruit cups (no foil lids) and/or 100% juice boxes
- (2) snack items (granola bars, raisins, pretzels, etc.)

Most of these items can be found at your local Grocery Store, Walmart, Target, etc. Any or all of the items you are able to provide will be appreciated.

Make sure to bring the donated items with you to the Lynnhaven Campus anytime during SBW. We encourage our kids to help us Serve the 757 because no kid is too small to help **make a big difference!**

Our kids are FOR the 757!

Thank you for supporting this year's Summer's Best Week mission project!
