

Hey Parents!

This month, your child is learning that

God is always with them

no matter where they go, what they do, or how they feel. God loves them, and they are never alone!

Two things to help you continue the learning at home:

1 Put this cling somewhere you can see it every day and learn the Bible verse together.

2 Ask your child these questions:

Where are places you go?

Who are people who go with you?

Who is always with you? (God!)

GOD IS WITH YOU

(point up) (point out)

WHEREVER YOU

GO. (march in place)
